Dear friend

I enclose a check of \$25.00 for 2500 - the amt. granted by Ball. As to the vehicle at Albany Spring & Hickory Valley, one left to each. It will be well to get a receipt from each teacher & send to me.

There seems any overlooking the date on which the money was due.

thy sincere friend

Dear friend

Some of the 19th of 5th Mo was duly received, but as the money asked for was for the Ball & Winter session I deposit answering for more pecuniary business.

I am authorized to say that our Queen will contribute \$25. - towards the support of your theme by paying the board of expenses & getting as any other deserving young men, to that amount. Hoping the above will be self-sustaining & do much good I am thy friend
