

mail. We would therefore propose
to give thee \$25. per month for
two months, which would probably
be long enough to enable thee
to make the cost of more
of the school, & \$25. per month
for two months. We ought to deny
what thou couldst promote
the issue to if the school by
some circumstance, should avoid as
can be paid without interfering
with thy own business.
Desiring soon to have a favorable
reply from thee, I am
thy friend
