Dear friend
Shine of 22nd at

hand. We presume that "Fairfield" school is the same stated in my report as "Watkins" school. If so, more is asked for it this year than last year (\$52.00) whereas, if there is a special reason for it, the grant is small, we will allow the \$25.00.

If the amount asked for being Woods Monthly Meeting (\$60) is all they want for the whole year, we will grant it: say, Belvidere \$23.

We give \$17. & New Hill \$20. —

We also grant \$10. to Belvidere, \$15. to Pine Woods & \$20. to Cedar Grove.
