Deaf River N. B.

Dear friend

At the request

of Francis J. King I enclose
check of ~~myself~~ ^{his} ~~order~~ ^{order} to the
order for \$32.00 towards the
amt. due New Garden Bury. Club.

For the two young men's tuition,
as referred to in thy letter.

He says that first class Bank
stocks are worth 120 to 130, and
that stockholders are unable for
double the amt. of their stock,
so that, although they pay a
pretty good interest on the cash,
he would not like to advise
investing in them, & it is difficult
to find any desirable investments.
