Dear friend

My tabulated report

for the past year is received.

I notice a payment of \$10.-

to Mt Pleasant which does not

appear on our books or on

my former statement. Richard

is also charged with \$15.- instead

of \$10.- The amount paid

Richard was \$23.- not \$25.-

Please add to the amount charged

W. Garden \$32.50 we sent to

E. S. Wendenhall to aid 2 young men.

These changes will make the

total from our Acc^t \$399.-

instead of \$383.50. Please

answer promptly.

Very friend

Marquette

Dear friend

I enclose check for

\$100.- from our Baltimore Acc^t

to help pay the tuition of the

poor students at Marquette Normal

school placed here by St. James.

At his request, I send the check

direct to him. B. J. & I wish

used to send us a bill each time,

giving names (confidentially), and

then might perhaps do the same.

as long as our funds hold out.

Very truly
John B. Thomas
