Dear friend

Shown if it is not
easier to hand just after
S. J. King had left home for
some days, & no grant
could be made until his
return. I now enclose

Dear friend

I wrote to thee
on the 1st inst enclosing
check for fifty dollars to
pay the balance due to
Seminie Neely, for teaching
school last winter, but have
not yet heard from thee of
its having reached thee.

Perhaps thou art waiting
to get her receipt to enclose
in thy letter. We have
still a little left of the Edu-
cative Fund, & would be glad
to have any suggestions
there. Very friend

and W. A.
