My dear Mary
Marysville

Dear friend

Shine of 17th ult.

came to hand just before
our party meeting.

The members of our committee
have been so busy since
then with business of the
party meeting & publishing
the Minutes etc. in addition
to ordinary occupations, that
we could not get a meeting
of the Balt. Acad. committee
until a day or two ago.

We have appropriated \$200.-
to Marysville Normal School,
half for the Ball & half for the
Winter term. This will exhaust
our fund for Educational purposes,

& hereafter the school must
be self-supporting, or get help
from some other source.
I enclose check of Geo. Bacon
also for \$100.- for the Ball
term.

We are glad to know that the
school is prosperous & trust
it will continue to grow.

My friend
John G. Thomas

Dear Mary. My friend & I
are quite well. Set on your
feet & expect that our school
terming has come on. We
are all very happy & are
hopeful of a successful year.
I enclose a check for \$100.-
for the Ball & a check for \$100.-
for the Winter term.
