Dear friend
Thine of 5th inst is
at hand & noted.

I enclose Draft on N. York
for \$100.- to pay tuition of
nearly & decreasing pupils at
the Normal School as per thy
statement. The English Educa-
tional Fund is now exhausted,
& we have no prospect of being
able to help you another year.
We are glad the school is per-
sisting & hope it will be self-
sustaining, or nearly so.
