Dear friend

Thine of 1st inst, enclosing letter explaining that the meeting is a different one from the meeting held last Fall, has been duly received. Meanwhile, we have planted all of the land that we have. We hope to get a little more from England, & if so, we will consider this application with those.

Dear friend

A. E. King has recd. a card from W. H. Edgerton stating that the Building Com. of Richmond Mo. Mr. Thomas claims they have a promise of \$1000 - when collected from a certain fund by A. E. King, & W. H. Edgerton wants to know if it will be paid this spring. As we sent thee \$1000 - for this anti-slavery 9th Mo. 1st 1832, we do not know why they expect another \$1000. - Can thee explain?

thy friend
John C. Thomas
