My dear friend
Angonia Kan.

Since of 13th to my
brother has been considered
by our Committee, & though
we will be to make grants
to private meetings, however after
they are paid for up to a certain
point, we have decided to let
you have \$250 - towards your
first payment, & enclose draft
on New York for that amount.
Please acknowledge receipt.
This is all the budget of the
whole cost which is so much
as we often outside.
Very friend
