Dear Mr. Kellam
Haverhill, Mass.

I am friend
to Mr. Nicholson
has forwarded thy letter
with his endorsement &
our Committee have decided
to send \$500. to aid in printing
thy Mill Co. Mfg. Manual.
I enclose check on W. Park
for that amount. Please
acknowledge receipt.

Thy friend
John E. Thomas
Secy.

I do not find "Haverhill" in the
D.C. directory. It is well to state
the County, in giving address.

J. J. King desires me
to say in answer to the in-
quiry that the Mill
Co. Mfg. Man. etc. have decided
to concentrate their aid to
N. Lawrence almost exclusively
upon that Standard, & having
given that school \$500. the
past year. He will bring
up the application at our
meeting, but doubt whether
it will be granted.

We have \$1000. ready to send
to help finish the meeting house
at Lawrence of the Friends we
wished to do the balance, as we
forwarded only \$500. last
year.

Thy friend
John E. Thomas
Secy.
