

will be about \$800.- also, towards completion
of unfinished meeting house at Spring Grove, Kansas
costing when complete \$900.- we have promised
\$100.-

The total amount we have paid out so far
on this fund is \$260.- & the amount promised
is \$675.- Besides this, our late dear friend
Stanley Humphrey informed us that he had
sent \$40. to aid in erecting a meeting house
at Holstead, in Fairview Monthly Meeting, Kansas
26 X 34 ft, now under roof, entire cost estimated
at \$950.- also \$30. to Rose Hill, Kansas, where
there are over 200 members, who are about finish-

of \$600.- also \$40. to Glen Elder, Kansas,
Walnut Creek Lun. Mtg. we understand that the
house is now occupied, though still incomplete.
Friends in various other places, both in Kansas
& N. Carolina are proposing to build & inquiring
as to the amount of aid they may expect, so
that no doubt several more new meeting houses
will be built during this year.
