Dear friend

I have now the pleasure of informing thee that we have received some money from England for the Mt. Vernon Fund, & that we have not spent \$1000. - for the Mt. Vernon Ridge. Our sales against the house to be under roof before payment of an appropriation, & we do not propose to keep the money more than a year. We hope your house will be up long before that time.

Dear friend

Thine of 18th July received, & I have only been waiting to get a meeting of our Committee before answering. I can now promise you \$1000. towards the proposed new Mt. Vernon with if you wish.

Please let me know the amount of the meeting. We will send the \$1000 when the house is under roof.
