Dear friend,

Stime of 10th is
is at hand.

We received the first in-
-statement of the A. P. Mtg.
House Fund on 5th Mo. 1882

& from that time considered
carefully all applications, &
made grants in the order
in which they came. In
thy first application (in
2nd Mo. 1882) came after the
fund was exhausted.

We have never had any
reference to it from England.
I have written twice to

J. B. Braithwaite to know
whether there is any more

money to come. If
we get any, you shall
have a share.

I may add that two-fifths
of all American contributions
to this fund come from
Baltimore friends.

thy friend
John B. Thomas

We are very glad your
work is progressing so nicely.
