Dear friend

Thine to A. J. King
duly received, & in reply we
would say that our Association
sent \$75. a year ago for your
meeting-house, through Deacons
Eastland, & that is all that
we can spare for the purpose.
We understood that \$75. would
enable the house to be covered,
& regret to hear that it is
still exposed to the weather.
We have no fund to purchase
provisions.

Dear friend

Thine to A. J. King
was duly received.
We regret to say that all
the money we have left
is already promised, so
that we cannot make any
further grants until we get
more money. We would
like to know the name of
the meeting house refers to
& the age of the house, so
that we may place it on
our list of applications.
