Dear friend

I have a letter from Sheldon that he asking aid from the Haverhill Band. For your own meeting here our Committee would like to know the size, material & cost of the house. How far it is to Haverhill. How much aid can you give. Also about the age of your meeting, before deciding how much we ought to send you.

Dear friend

We have an application for aid in building a meeting-house at Haverhill Kan. & shall be glad to know whether you consider the friends worthy of aid, & to what extent. I am writing to W. C. Woodaday for particulars respecting the house.
