Dear friend

June 17th 1881.

I am sorry for your disappoint-
ment about getting a meeting-
house, but perhaps more people
can be reached by holding a
meeting alternately at your
own house & inviting the
neighbors in who would not
ride some miles to a place
of worship. The condition
of the subscriptions to the S.
Barnesway Fund do not allow
us to send a subscription, &
we can only supplement what
has been already nearly accomplished
by the friends of the neighborhood.
Do you ever to think that you

Wm. B. Thomas
dearly.
