Dear friend
Shine of 6 Mo. 29.

was duly received & noted,
but so nearly all of the
Committee on charge of the
"D. Purification Fund" were
out of town, I could not
give thee a definite answer.
Can now promise
you \$150. towards a meeting
house, payable when the roof
is on. I shall be glad to
hear how you get on with
your subscription.

Dear friend

A. J. King writes me to
tell thee that there is a society
in Philada. by Mr. Fox
the distribution of Friends books,
& that he thinks that Newbury
& N. York City Mts have also
recently established a Society
for the same purpose, &
he would suggest thy writing
to Friends in those parts Mts.
A. J. King does not say anything
about aid towards building meet-
ings. houses. I presume he will
lay it before our committee when
he returns home.
