Dear friend

J. J. Remy

I wrote to thee yesterday & have now received a letter from J. St. Bonaventure which I enclose herewith. If thou & Dr. No. May think well of letting Bonaventure have the school for one year on the same terms as last. I will had it, get the Dr. to cable through Brown & Co. to Dr. Loring Cook. "Encyclopedia" the dispatch will only cost about \$2.00 & would give Bonaventure time to make arrangements. If I do not hear from you, I shall conclude you do not accept his proposition. Nothing new to tell, except that the Rev. Mr. Mission Mr. Mt. will last night was well attended & very satisfactory. Respects, J. J. Remy

Dear friend

Thine of 21st ult. came

while I was away from home. If the house you refer to is a suitable one, well built, & can be had cheaper than you ever build, we see no reason why we should not help you to buy as well as to build. If you conclude to buy, let us know the cost.

Thy friend
