Dear friend

W. J. Henry

I wrote to thee yesterday & have now received a letter from J. St. Lomlinson which I enclose herewith. If thou & Dr. So. May think well of letting Lomlinson have the school for one year on the same terms as last. Little had it, get the Dr. to cable through Brown & Co. to Dr. Lomlinson. "Engagement" the despatch will only cost about \$2.00 & would give Lomlinson time to make arrangements. If I do not hear from you, I shall conclude you do not accept his proposition. Nothing new to tell, except that the Rev. Dr. Mission Mr. May. told last night was well attended & very satisfactory. Respectfully, W. J. Henry
