Dear friend

I wrote to thee on
the 6th of last month asking if
thou would see what can be
done in your yearly Meeting
towards raising \$150 - or \$200. -
this year for the Anti-Slavery Bazaar
fund for assisting in building
new meeting houses in the
Southern & Western States.

Not having yet heard from thee
I fear one of our letters has miscarried.
I have answered this promptly, as your
reply may be at hand, & some action is
needed quickly. Thy friend
