Dear Friend,

Thy letter of 15th ult. was received at a time when I was not very well on account of a bad cold, or it would have been answered sooner. I think you have done right in insuring your Meeting House for five years and am glad to know you have raised the amount necessary to pay your half of same. When the policy is issued, please notify me and I will have check for the other half sent to thee.

Very truly thy Friend,

Dear Friend,

Referring to your letter of January 7th, the information regarding insurance on the different meeting and school-house properties contained in same was incorporated in the report to the Permanent Board at its meeting January 19th, including reference to the fact that there was no insurance on the old school building. It appeared from the replies, that in addition to this, there were five other properties uninsured, and the Committee was directed to urge upon the trustees of such properties the importance of having their property promptly insured. I would be glad to know if you cannot arrange to have suitable insurance placed upon the school house. Will you please let me hear from you in regard to this at your early convenience.

Very truly your Friend,

P. S. Where is deed for Boarding Home from I. C. Thomas to Trustees--- also wish certificate of Court's ratification of Trustees.

Dear Friend,

Referring to your letter of December 26th, 1906, advising that you carried no insurance on the Hopewell Meeting House, this information was incorporated in the general report to the Permanent Board at its meeting on the 19th ult. It appeared from the different reports that in addition to your own, there were five other meeting and school-house properties not insured. The Committee was directed to urge upon the trustees of such properties the importance of having insurance placed on their properties, and I would be glad to know whether you cannot arrange with other Friends in having the Hopewell Meeting House insured. Will you kindly let me hear from you at your early convenience in regard to this matter.

Very truly your Friend,

Dear Friend,

Thy postal of January 8th, 1906, advising that there was no insurance either on the Black Creek or Bethel Meeting House was duly received, and was incorporated with other replies in a report to the Permanent Board at its meeting 19th ult. It appeared from the replies that in addition to these two properties, there were four other meeting and school-house properties uninsured, and the Committee was directed to urge upon the trustees of such property not now insured the importance of having insurance promptly placed on said property. I would be glad to know if you cannot arrange to have suitable insurance placed upon the Black Creek and Bethel Meeting Houses. Will thee please let me hear from thee at thy early convenience.

Very truly thy Friend,
