Dear Friend

Yours of Nov^r 28th came to hand some time ago. After repeated efforts, I have just been able to find out definitely what the insurance insurance is, on the Friends Church here. It is \$5,000. I consider the amount excessive, but none of us wish to reduce it.

Yrs Very Truly

Dear friend

I had nat- forgotten about the matter but only got it attended to a few days ago. As soon as I got your letter I wrote at once to our Circuit-Judge. R. R. Pientis and he confirmed the trustees, and sent the order back to me, with instructions for me to take it to our Circuit-Clerk. B. F. McSweeney for him to record, which I did a few days ago, and intended to write last week, but was so busy I neglected to do it. So it has been attended to.

The Boarding hall is insured for I think \$2250. dollars and I sent the policy to John C. Thomas. for safe keeping. he can tell you the exact amount.

The new meeting house is insured for \$1000. dollars. But we have no insurance on the old school building.

I am sorry I did not write last week as soon as I got back from the Court-houses, or Clerks office. But hope this may reach you in time. I had to ride 80 miles to get it attended to.

With best wishes to you all,

Respectfully,

E. J. Raiford.
