

4/8/44

A stated meeting of the Permanent Board of Baltimore Yearly Meeting of Friends (Orthodox) was held at Homewood on 4th month eighth at 7 p.m., six members being present.

In the absence of a quorum it was decided to proceed with the business on hand and to ask at the next meeting of the Board for official approval of any actions that might be taken.

Bertha King presented the request of (Mrs.) Douglas Brown of Richmond for the loan of a copy of some of our records, the volume being entitled "Copy of Minute Book of Lower Virginia Monthly Meeting, Isle of Wight and Nansemond, 1673-1756". The Board authorized Bertha King to forward this book, which is to be used for historical research.

The Board briefly discussed the Insurance Reports of the various monthly meetings, which concluded the business and the motion to adjourn was approved.

Respectfully,
Caleb Thimble
Clerk.

The Insurance Report follows herewith.
