

1961

REPORT OF THE PERMANENT BOARD OF HOMEWOOD YEARLY MEETING

The regular annual meeting of the Permanent Board was held on Eighth Month 6, 1961, at Western Maryland College, Westminster, Maryland.

Eleven members of the board were present.

As the Clerk did not arrive at the time scheduled for the meeting, J. Hollowell Parker was asked to serve as clerk for this time.

A memorial to Elsie Florence Coney, which was received too late for Yearly Meeting in 1960, was read.

Memorials to two other Friends, John C. Bradshaw and Barbara Staples Wickes, who passed away in the last twelve months, were also presented.

It was recommended by the Permanent Board that these three memorials be read in Yearly Meeting this year and then filed with other permanent records in the Meeting's vault.

The usual insurance report on properties owned by our constituent Monthly Meetings cannot be submitted in complete form at this time, as several of the individual reports had been forwarded to the Clerk, personally, and were not in hand at this meeting. The matter has been referred to a special committee to complete the review of the adequacy of our insurance coverage and make a report to the next meeting of the Executive Council of the Yearly Meeting.

J. Hollowell Parker
Clerk for the day
