

The Finance Committee reported that they had not as yet purchased a \$500 Bond as authorized to do in May; and suggested that as it was easier to secure 1000 Bonds of \$1000 denomination than \$500, that they be instructed to invest in a \$1000 Bond, \$500 be appropriated last year and another \$500 to be now appropriated for ensuing year. This was unanimously agreed to, and the Committee was so instructed.

The following amounts paid out by the Treasurer, upon the informal authority of a majority of the Board between the times of holding regular meetings, but which had never been authorized at a Board meeting were authorized, viz
