The following report was ordered to be forwarded to The Baltimore Yearly Meeting of Friends, after having been signed by the President and the Secretary. (See opposite page.)

The Secretary reported that since the last Meeting, a loan of \$100.00 to Mrs. Schrifogle, authorized in March, 1908, has been made, and that there are now no outstanding unpaid appropriations. Upon the recommendation of the Educational Committee, 6th month, 12th, an appropriation of \$25.00 was paid to Edward Hill Meeting School, of North Carolina, to pay one half the salary of Miss Mary Stout, as teacher.

That West Union School had a more successful year than the previous one, the number of students enrolled being 39 of whom 30 were Friends. That Belvidere Academy used our appropriation of \$100.00 to assist 31 students, which was found a great help. That Up River School used our appropriation of \$100.00 towards paying the teachers in the private school, and had its terms extended ten weeks, the patrons of the School raising about the same amount. That Guilford College had assisted 56 needy students. Friendsville Academy reported that our appropriation of \$100.00 had aided in prompting them to a higher appreciation of the School than before. That Cedar Grove School had a school of 8 months, with 65 students enrolled, of whom 35 were Friends, under care of three teachers, two of whom were
