The fifty-first annual meeting of The Miles White Beneficial Society was held this date. There were present:-

Miles White, Jr., President
Francis A. White
James Carey, Jr.
John N. Parker
Richard J. White

James Carey, Jr., took the chair. The minutes of the last annual meeting and the last regular meeting were read and approved. The president announced the death of our valued co-worker, John R. Cary, in August, and the following resolution was adopted and a copy authorized to be sent to his family:-

"The Miles White Beneficial Association desires to record the sense of the great loss which it shares with others in the death of John R. Cary, a member of this Board since October 5, 1908.

"John R. Cary was elected to fill the vacancy caused by the death of John Nicholson, and in the Finance and Educational Committees of which he was then made a member he rendered very helpful services. It will be very difficult to fill the gap made by his death."

The fifty-first annual report to The Baltimore Yearly Meeting was presented and read. As it had already been presented to the Yearly Meeting, it was accepted and ordered placed in the minutes.

The secretary reported that Herbert Baker and Dr. Riddick had repaid their loans in full during the summer,--and that Dr. Riddick of Washington had repaid his loan after it had been put in the hands of an attorney;--also that Turner Moon had received his degree from Guilford College in August.
