

Miles White Jr presented his report of the work done by the Educ. Com during the past year which was approved -
 He ^{also} drew attention to the fact that two children were not assisted last year who might have been as all the money was appropriated some of which was not used. Hence it is well not to ask for more than is necessary.

The Committee decided to ask for an appropriation of \$200 from the 2nd early meeting. Edward J. Raiford was added to the Committee then adjourned.
