

At a meeting of the Educational Com held  
1/13 1906 7 members were present.

The following appropriations were asked for;  
\$50 for Edward Wetherald at Westtown  
\$30 " Paul & Pauline Connel at Corinth  
\$30 " Allen Yeave at Corinth

The Com decided to appropriate \$50 for Ed.  
Wetherald <sup>son of Thomas</sup> with the understanding that if  
we fail to raise enough money the Com  
ask the Miles White fund to give it.

The Corinth School owes the Com \$6.25  
which amount the Treasurer was authorized  
to tell them the Com would give towards  
the \$30 for Paul & Pauline Connel but as  
more has been appropriated than we have  
on hand further appropriations must be  
left till the collections come in.

to look into the matter.

The committee then appropriated to
