advices and we have also to acknowledge our Miss Conduct in not keep-
ing to the good order of the Shakers in the Primitive times of the
Christian Church in speaking one at a time for edification
and Comfort of the Church as they were abilitated by the assistance
of the Holy Ghost also that some un sound and improper words
have been uttered by some of us which we are very sorry
for and have Disturbed from that practice for a considerable time
and now come to gather in silence and silently wait for to know some-

on us and by the Power of his judgments Manifest in our Souls judg-
ing down every thing that out of good Christian order and as true
repentance and sincere obedience may be found in our Hearts we hope
we shall come more & more in to the good order of the Shakers
in Christ that have gone the good Christian way of Life and Peace
