The Queries have all been read and considered
 with written answers from our several monthly
 Meetings, from which the following summary was
 extracted

1st All our Meetings (except in two instances) have
 been held one of which one Woman friend only was present
 and mostly well attended, with some exceptions in those
 on Sunday afternoons and week days — unbecoming
 behaviour generally avoided, the hour of Meeting rarely
 abused

2nd Friends appear to maintain Love towards
 each other in a good degree as becomes our Christian
 profession, to discourage talebearing and detraction and
 when Differences have appeared Care has been extended

3rd It appears a number in each Meeting are
 concerned by example and precept to Educate their
 children, and those under their care, in plainness of
 speech, Deportment and apparel, yet many are
 deficient in these important Duties — Not altogether
 their ahead of reading unsuitable books and some
 care is taken to encourage the frequent reading
 of the Holy Scriptures

4th Friends are mostly clear respecting the
 propriety of this genre — Modest and Temperance
 not enough observed on all occasions

5th The Sufferings of the poor appear to have
 been inspected, and in a good degree relieved, and in
 two of the Reports, some attention to the School
 Education of their Children is noted

6th No manifest breach of our Christian
 testimony in the particulars of this Query
