meeting and written answers thereto received from our
respective monthly meetings, from which the following
summary was collected,

All our Meetings for worship and discipline have
been kept up, and generally well attended, by the greater
part of our members on first days - yet a want of
apparent in the attendance of those on other days of the
week, unbecoming behaviour in a good degree guarded
against the hour of meeting in most instances observed

2nd A considerable number of friends are concerned
to maintain Love towards each other as queried, bala-
ncing and detraction discouraged by most, when
differences appear care is taken

3rd A care remains to deal with offenders and to
win to those, who will not be reclaimed the spirit
of meekness and love before judgement is placed upon
them

Epistles from Philadelphia Virginia and North
Carolina have been read in this meeting to the satis-
faction and encouragement of many minds the clerk
are directed to furnish each Monthly Meeting with
a copy thereof

4th yearly
The exercise of our last Quarterly Meeting respecting
respecting the unnecessary use of Spirituals signs
being again revived and solemnly considered it appears
the judgement of this meeting that an appointment
cannot be profitably entered into at this time, it is left
to be again revived at our next Quarter

5th Friends informed this meeting of a subject they
had under consideration, of changing the time of holding
our Quarterly Meeting, which is referred for further consideration
to the next meeting
