To Baltimore Quarterly Meeting

Dear Friends

We the committee appointed

to visit the several monthly meetings on the subject of the concern had sent down from our last Yearly meeting relative to Spirituous Liquors report that a considerable portion of our members have attended all the monthly meetings belonging to this quarter and have endeavoured to extend such labour as we were qualified to afford We further report that a committee was appointed in each of the monthly meetings to extend such further care as may appear necessary and we have the satisfaction to add that we have been comforted in the hope that this very interesting and important testimony appears still to be progressing and gaining ground amongst our members in many places
