The State of Society as contained in the sum-
mary answers to the four last Queries being weightily reviewed the minds of many friends became livingly exercised on account of the black children in friends families that there duties in which we are lacking to this part of our fellow creatures may be filled up and the dear young women tenderly exhorted to devote a portion of their time for their improvement which may prove as bearing up the hands of those who are concerned

that our own children may be kept from the heinous examples too often found in ~~quind~~ schools; and the promotion of select schools is earnestly recommended.

Extracted from the minutes
