2nd Friends are generally preserved in a good degree of love towards each other tale bearing and detraction mostly discouraged when differences are apparent care is extended

3rd Friends are concerned to deal with Offenders agreeably to the requisitions of this Query.

The committee appointed last Quarter to visit our monthly meetings and cooperate with them on account of the extracts handed down from the Yearly meeting reports that some of them have attended all the monthly meetings in which except one ^{committees} have been appointed to ~~proceed in this manner~~ they are continued to the service with the addition of Ruth Matthews & Root

Apart of the Extracts from the mens Yearly meeting and the Epistles ~~refused at our last~~ have been read to our solid satisfaction the Clerks are directed to furnish each monthly meeting with a copy thereof
