The Representatives present except 2 or 3 of whom ~~was~~ prevented by indisposition in their ~~own~~ families

The 1st 2nd & 9th Queries have been read and written answers received from each of our monthly meetings from which the following Summary is collected viz

1st All our Meetings for worship & discipline have been attended by the generality of our members, the deficiencies are apparent.

No complaint of unbecoming behaviour the hour of meeting mostly observed.

2nd A good degree of love is maintained among friends as becomes our christian profession

False hearing and detection discouraged by many. No apparent differences except one report mentioning when they arise some endeavours are used to end them.

9th Offenders are dealt with in a good degree as pointed out by the queries.

The committee appointed to sit on the reports from the monthly meetings report that some further progress has been made since last quarter in the service of visiting those who have con-
fined children in their families and the propriety of laying the concern with ~~them~~ for it has been proposed ~~before~~ coming solidly under consideration is united with and ~~is now~~ informed that the subject is ~~to be~~ ~~more~~ ~~and~~ ~~referred~~ to next quarter for further consideration.

Our monthly women friends are encouraged simply to attend to what appears in the opening of truth to be their duty to pursue. Susanna Jewett and Ann Portney are added to the committee.

For further business the meeting concludes.
