yearly Meeting by whom near 200
\$52 and \$1 each as our quota towards the yearly
meeting stock

1st All our meetings have been held except one at 6 o'clock
and attended by most of our members on first day
mornings, our other meetings often small unbecom-
ing behavior generally avoided, and the hour of
meeting nearly observed, —

2nd It appears friends are in a good degree careful
to maintain love towards each other as becomes
our Christian profession, and to discourage tale
bearing and detraction, also to end differences
when they arise —

3rd A considerable number of friends, endeavour to
educate their children, and those under their
care, in plainness of speech deportment and
apparel, to guard them against pernicious
Books, and from the corrupt conversation
of the world, also to encourage their reading
the holy scriptures — yet deficiencies in
these particulars are acknowledged, —

4th It appears friends are clear of importing
vending or distilling, and nearly so, of the
unnecessary use of spiritous liquors, also clear
of frequenting taverns or attending places
of diversion, and a good degree of moderation
and temperance observed
