

The first, second and ninth Queries with written answers from each Monthly meeting have been read and considered from which the following summary was collected.

1st Answer. All our Meetings for Worship and discipline have been held (except four mist at three small Branches, one during the time of the Yearly meeting) and attended on first days by the most of our members, other days not so large. Unbecoming behaviour mostly avoided, and the hour of Meeting nearly observed.

2nd. Friends are in a good degree careful to maintain love towards each other as becomes our Christian profession, Also to discourage talebearing and detraction, and endeavours are used to end differences when they appear.

3rd. Care is taken to deal with offenders in a good degree as the query requires.
