The first, second, and ninth query, with their respective answers, from each of our monthly meetings were read and considered, from which the following summary was selected.

1st Ans^r All our meetings for worship and discipline have been held, and generally attended by the greater part of our members (with the exception of one report which notes deficiencies in the attendance of first day afternoons and week day meetings) unbecoming behaviour guarded against, and the hour of meeting nearly observed.

2^d Ans^r Many friends appear to maintain love towards each other in a good degree as becomes

our christian profession, talebearing and detraction mostly discouraged. No apparent differences amongst us.

9th Ans^r A good degree of care is taken to deal with offenders as quired.

Our esteemed friend

Ann Ferris attended this meeting and produced a minute from Wilmington monthly meeting dated the 26th of the 2^d month 1819 which with her company and gospel services were acceptable, the clerk was divided to unite with the clerk of mens meeting in signing an endorsement thereon.

Mary Gillingham, Mary James and Rebecca Proctor were appointed to assist the clerk to correct and transcribe the minutes of the quarterly meeting.
