and gospel labors have been acceptable to us.
Our beloved friend Lydia Hyatt attended this meeting with a minute from Salem Mo Mg, Iowa, liberating her to accompany Jane Jones in her religious visit within our limits. Her company has been acceptable to us.

Our clerks are directed to furnish all the above named friends with copies of the minutes relating to them & sign them on our behalf.

Our beloved friend Richard & Thomas laid before this meeting a concern which has long dwelt on his mind to attend London Yearly Meeting of Friends & to visit in gospel love such of the meetings belonging to it as may may open for, to appoint meetings with friends & others & to attend to such other religious services as the truth may lead into while within its limits, as expressed in the Certificate furnished him by Balto Mo Mg. After seriously considering the concern of our dear friend this meeting also unites in liberating him for this very weighty religious engagement & commends him to you as a beloved brother sound in his ministry & exemplary in his life & conversation. We feel deep sympathy for him in view of the arduous religious service he has in prospect & of his leaving his family & friends in feeble health, yet we would commit him to the guidance & protection of his heavenly Father & to the sympathy & care of those among whom his lot may be cast.
