The Committee to advise & assist Deer Creek M^o M^y is continued.

1st An^d. All our M^ys for worship & discipline have been held, those on first day mornings are well attended, but in the afternoon & middle of the week they are much neglected. Unbecoming behavior therein generally avoided & the hour of meeting nearly observed.

2nd An^d. Friends appear to maintain love towards each other becoming our Christian profession, tale-bearing & detraction are discouraged & we know of no differences among us.

3rd An^d. We believe most friends endeavor by example & precept to educate their children & those under their care in plainness of speech behavior & apparel, to guard them against reading pernicious books & from the corrupt conversation of the world, also to encourage the frequent reading of the Holy Scriptures, more care herein however is desirable.
