

M. Janney, John Scott, John S. Williamson
Geo. P. Cook, Dr. McGuffee & John W. Hopkins
who are directed to report to next meeting.

The committee to visit Deer Creek Monthly
Meeting report that some care has been extended
to that meeting, some of their number having
attended their meetings to satisfaction,
they are continued.

A proposition was received at our last meeting
from Hopewell Monthly meeting and referred
to this, "that the holding of the Monthly Meeting
at Goose Creek, every other month be changed
so as to be held at Hopewell altogether
in future". Which was agreed to by this
meeting, and the Monthly Meeting is directed
to be held hereafter at Hopewell at the
usual time of meeting at Hopewell.
Our clerk is directed to furnish that meeting
with a copy of this meeting minute.
