1st Ans. Allow Meetings for worship & instruction have been held except within the limits of Hopewell where owing to the amercement growing out of the war their mid week meetings have not been regularly kept up. Those on First day mornings are well attended but in the afternoon and middle of the week they are very small, Unbecoming behaviour is mostly avoided and the hour of meeting generally observed by most Friends.

2nd Ans. Friends appear to maintain love towards each other becoming our Christian Profession. Tale bearing and detraction are discouraged and when differences arise endeavours are used to end them.
