1st Ans all our meetings for worship & discipline have been held, those on first day mornings are generally well attended but in the afternoon and middle of the week they are neglected by many, (but the attendance is better than formerly) Unbecoming behaviour is mostly avoided. The hour of meeting is not as well observed as is desirable.

2^d Ans. Friends appear to maintain love towards each other becoming our Christian profession, tale bearing and detraction are discouraged and when differences arise endeavours are used to end them
