adopted to represent the present state of this
meeting

1st Ans. Meetings for worship & discipline
have been held and attended by our
members generally on First day mornings;
in the evening and on fifth days they
are neglected by many - Unbecoming behavior
is mostly avoided, One report says the hour
of Meeting is not so well observed as is
desirable.

2nd Ans. Friends appear to maintain love
towards each other becoming our Christian
profession, tale bearing and detraction are
discouraged and when differences arise
endeavors are used to end them.

3rd Ans. Care is mostly taken to deal with
offenders Seasonably and impartially, and
to exhort to those who will not be reclaimed
the Spirit of Meekness and Love before judgment
is placed upon them.

The First Unanimous Query was now

read and Solidly Considered.
