After some consideration, the request was referred to the following Friends, in conjunction with a similar committee of Women Friends, who are instructed to confer with Ashton Friends (no representative from that Meeting being now present) and report

their judgment to our next Quarterly Meeting, namely John Nicholson, Howard M. Hoge, Samuel R. Neave & Charles J. Thomas.

A communication was received from our friend Allen C. Thomas, requesting the endorsement by this Meeting of the minute granted him by Baltimore Monthly Meeting on the 7th of this month for religious service within the limits of New England Yearly Meeting.

This Meeting approves of the concern of our friend, and, Women Friends concurring, our Clerks are directed to enter an endorsement of this approval upon the Minute & sign the same on behalf of this Meeting.

The four Unanswered Queries were read and seriously considered.

The meeting then concluded.
