

1st Ans. All our meetings have been held except two for worship and one for discipline. The hour of meeting not quite so punctually observed as is desirable. One report notes an improvement in punctuality, in attendance of business meetings.

2nd Ans. We believe most Friends have love towards each other as becomes our Christian profession. Tale bearing and detraction are discouraged and endeavors are used to speedily end whatever differences arise.

10th Ans. When occasion arises care is usually taken to deal with offenders seasonably and impartially & in the spirit of meekness and love.

The unanswered queries were read and after a time of serious consideration the meeting concluded.
