

Robert B. Warder returned the minute given in 6th mo. liberating him for service in Canada Yearly Meeting, accompanied by the following minute of Canada B. M., ending the 1st day of 7th mo. 1902. "Robert B. Warder a minister of Baltimore B. M. acceptably attended this meeting with credentials from his respective meetings. Signed by direction of the meeting Wm J. Moore Clerk." & the clerk is directed to forward minute to Washington Monthly Meeting.

The Clerk reports having endorsed a minute of Balt. B. M., dated 9th mo 4th 1902 liberating Anna D. Stabler for gospel service in Indiana Yearly Meeting & limits thereof.

Reports were read from the Monthly Meetings, and the

following report was directed forwarded to the Yearly Meeting.

From reports made to the L. M., there seems to be increasing signs of spiritual life in the various meetings - though one meeting says "more of the love of Christ and a fuller consecration to him & his work is needed that we may grow in grace & in the knowledge of our Lord & Saviour Jesus Christ." Several meetings report evidence of bestowal of spiritual gifts and speak of acceptable vocal service, both from the ministers & others in attendance. One meeting says concern is manifested to occupy the gifts entrusted to us & encourage each other to reach a high plane of spiritual development. Most of the meetings report increased attendance at the meetings & that others besides the members regularly worship with them.
