

notwithstanding the severity of the weather, Ashton expressed having had such a deep concern for those everend waiting upon the Lord that the Monthly Meeting has granted an indulged midweek meeting which has brought a blessing to those attending. This meeting also speaks of realizing the importance of the daily practice of reading the Holy Scriptures in our families.

A letter of encouragement and regret at their not being represented at this meeting, was directed sent to Hopewell & Bendersville meetings.

The queries were read and led to a concern that we might realize more our individual responsibility for our meetings for worship. Meeting then concluded.
